DOS™ Card Game

Ages 7Y +

UNO® has a best friend, DOS™! In this fun card game, two is more important than one, and number matching is king! Just like UNO®, DOS™ involves a race to be the first to get rid of your cards. To start, there are two discard piles between the players. On each player's turn they can discard on either pile with either one or two cards, so if a player has two cards that add up to the number of a card in the center pile, they are able to put down BOTH cards. When you're down to two cards, don't forget to yell "DOS!" The first person to 200 points is the winner! The game includes a 112-card deck plus instructions. For 2 to 4 players. Ages 7 and older. Kerplunk™ Game

Ages 5Y +

KerPlunk!™ is a blast from the past with a cool look and attitude! The object of the game is to skillfully remove the sticks from the tube while dropping the fewest marbles possible. The translucent tube stands upright on a base that contains four separate numbered trays. Each player selects a numbered compartment to use throughout the game, and the straws are passed through holes midway of the tube to form a lattice "web." The marbles are then placed in the top of the tube and held in place by the web. Just set it up, start playing and watch out for marbles that go "KerPlunk!" The players must use steady hands and a cool head to remove the sticks from below the marbles. This best game from yester-year is just as much fun today! Share your great memories or start new ones! You and your friends will have a blast playing KerPlunk!™, just don't let the marbles fall! For 2 to 4 players. Colors and decorations may vary.

Players use markers to draw their best rendition of the clue on the card, with a one-minute deadline. Is it an animal? A person? An action? What is that drawing? If team members just aren't getting it, the sketcher can try a different direction. Players take turns drawing, so everyone gets to channel their inner artist! And the laughs just keep coming! Pictionary® includes two erasable markers, erasable boards for drawing and fun clue categories like "Pop Culture." Year after year since 1985, Pictionary® has proven itself to be the ultimate party game! Great for game night for players 8 years and older. Colors and decorations may vary.
